

Dear Family Campers,

2019

Thank you for choosing Luther Village for you and your family this year as an opportunity for growth and renewal of mind, body and soul.

We are busy preparing for another amazing summer of community, campfires, activities, lounging on the beach, and enjoying God's beautiful creation. The program theme for the summer is "**Transformed Community**"; based on Romans 12:2 "Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God – what is good and acceptable and perfect." Our Program staff will lead singing, skits, campfires, and age specific programming (2-18 years old) based on the theme. The resource leader will lead theme based discussions for the adults.

**Special Events while at camp:**

**Secret Families:**

How it works: participating families draw the name of another family on the first day of camp. Your family then thinks of nice things to do for your secret family throughout the week (examples include: bring them treats, small gifts or crafts, secret notes of encouragement, and prayer). We encourage all families to participate as it adds to the community spirit of your week at Luther Village.

**Theme Night:**

Every year we pick one night of the week as a theme night. The theme this year is: "**Superheros**". Theme night begins at dinner time and runs throughout the evening with a special theme night activity. Please consider what sort of Superhero themed costumes your family will wear. This night is always a lot of fun and every member of your family is invited to participate with enthusiasm.

Your week will be filled with many additional events and fun camp activities.
